NASBA Statement

InformationActive Inc. is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be addressed to the National Registry of CPE Sponsors, 150 Fourth Avenue North, Nashville, TN, 37219-2417. Web site: www.nasba.org.
What You Receive with the Self Study Course

With the download and installation of this course you will receive a course document, three sample workbooks, a final exam document, and an evaluation form. These documents are installed to your “Program Files\InformationActive\ActiveData For Excel CPE Course” and shortcuts to them are placed in your Start Menu -> All Programs -> ActiveData For Excel CPE Course. The sample workbooks are installed to your “Documents\ActiveData For Excel CPE Course folder”.

**Installing ActiveData for Excel:** If you have not already purchased and installed a copy of ActiveData for Excel you can download the evaluation copy from the InformationActive.com website.

For more information on purchasing ActiveData for Excel please go to www.informationactive.com or e-mail: support@informationactive.com.

**ActiveData For Excel** appears as a tab on the Excel ribbon.

On **ActiveData for Excel**’s Help menu you can find:

**ActiveData for Excel Help:** This provides a link to the ActiveData for Excel help file.

**A Getting Started Guide:** This provides a link to the Getting Started Guide for the ActiveData for Excel product.

**Sample Data Workbook:** This provides a link to a sample Excel workbook that may be used to test out ActiveData for Excel commands.
